FOR IMMEDIATE RELEASE

Local Residents Collaborate to Create Friends of Twinsburg Parks Group

Twinsburg, OH, January 30, 2018 – This month marked the official launch of the Friends of Twinsburg Parks, a 501(c)(3) organization that will support the mission of the Twinsburg Parks & Recreation Commission as well as the Twinsburg community through fundraising, volunteerism, advocacy, and promotion.

The group was formed by a coalition of Twinsburg residents that serve on the Twinsburg Parks & Recreation commission. The startup costs were funded by an anonymous donor, and the first open organizational meeting will take place on the evening of Monday, February 19th. The group will meet monthly going forward to discuss strategies and feedback in order to build a strong, sustainable committee that will continually work in the best interest of the Twinsburg community.

“There are many different ways to get involved, with varying levels of commitment that will offer an opportunity for everyone to help make a difference in our community,” said Friends of Twinsburg Parks founder & President, Debbie Peltz. “It’s a great way to support the projects you are most passionate about, or even to just join in the sharing of ideas.”

To learn more about the group, to explore ways to get involved, or to complete the membership application, visit friendsoftwinsburgparks.org. The group can also be contacted at friendsoftwinsburgparks@gmail.com.

About Friends of Twinsburg Parks – Mission Statement:

The Friends of Twinsburg Parks is a 501(c)(3) non-profit organization that actively supports the mission of the Twinsburg Parks & Recreation Commission and the Twinsburg community through fundraising, volunteerism, advocacy, and promotion. The group is guided by shared values—conservation, environmental sustainability, education, community engagement, recreation, health and wellness—to serve, preserve and enhance the Twinsburg community through a vibrant park system.

The group’s President, Debbie Peltz, is also available for interviews and to answer any questions from residents on how they can get involved.
